

# One Thankful Man

From Luke 17:12–19

One day Jesus Christ met 10 men. They were very sick. The men asked Jesus to heal them. Jesus told them to go and show themselves to the priests.

On their way, the men were healed! They knew Jesus had healed them. One of the 10 men came back to Jesus. He knelt at Jesus's feet and thanked Him. Jesus said he was healed because he had faith.
