

# Jesus Christ Calms the Storm

From Luke 17:12–19

One night Jesus Christ and His disciples crossed the sea in a boat. Jesus was tired and fell asleep. A storm came. The waves got bigger and bigger! The disciples were afraid. They woke Jesus up and asked Him to save them.

Jesus stood up and said, “Peace, be still.”

The wind stopped. The water was calm.

My faith in Jesus Christ can bring me peace.

When I’m afraid, Jesus can help me feel calm.
